

# Honda Fit

2019

## Fit for adventure.

Ready for any journey, the Fit has plenty of room for fun along the way. And thanks to four different interior configurations, it can accommodate the whole crew. Packed with technology you'll love, it won't take long to see why the Fit is a great fit for you.

- Fit Sport**
- 1.5-liter, i-VTEC® 4-cylinder engine with direct injection
  - 6-speed manual or available continuously variable transmission (CVT)
  - Gloss black 16-inch alloy wheels
  - Fog lights

Fit Sport shown in Orange Fury.

Fit for leisure.

Fit for life.

No matter the road trip, the Fit will help make sure it's an enjoyable one. With an available leather-trimmed interior and cozy heated front seats, this ride has all the details necessary to facilitate comfort and style for all drives of life.

**Delightful Design**

- Race-inspired paddle shifters\*
- Leather-wrapped steering wheel and shift knob\*
- 180-watt audio system with six speakers\*

\*Available feature. Please refer to specs for actual trim application.

Fit Sport shown with Black Fabric. Opposite page: Fit Sport shown in Milano Red.

Fit EX-L shown with Black Leather.

The Fit is every bit as functional as it is fun. With great styling and a variety of amenities, you'll be ready to go whenever your next adventure calls.

**A Connected Cabin**

- Apple CarPlay™<sup>1</sup> integration\*
- Android Auto™<sup>2</sup> integration\*
- Bluetooth®<sup>3</sup> HandsFreeLink®
- USB Audio Interface<sup>4</sup>
- 7-inch Display Audio\*
- Steering wheel-mounted controls
- Push button start\*
- Honda Satellite-Linked Navigation System™<sup>5</sup>

\*Available feature. Please refer to specs for actual trim application.

Fit EX-L shown in Lunar Silver Metallic with Black Leather.

Fit for endless possibilities.

The Fit can take all kinds of people and all kinds of cargo all kinds of places, thanks to brilliant engineering and a little magic. The spacious interior has room for five, and the 2nd-row Magic Seat® helps you configure your Fit four different ways.

**Utility Mode**

Fold the Magic Seat down and you've got an impressive 52.7 cubic feet of maximum cargo space.<sup>6</sup> It's amazing what fits in there.

**Long Mode**

Fold down the right side of the rear seat and fold back the front passenger seat, and you can haul gear that's up to 7 feet, 9 inches long.<sup>6</sup>

**Tall Mode**

Sometimes you need a little extra room for taller items. Folding up the 60/40 split Magic Seat gives you almost four feet of space, top to bottom.<sup>6</sup>

**Refresh Mode**

Take off the front head restraints, fold back the front seats and you've got the perfect place to relax.\*

Fit EX-L shown in Aegean Blue Metallic with Black Leather.

Honda reminds you to properly secure cargo items. \*Only use Refresh Mode (lower image) when the vehicle is safely parked. Return the seat and head restraint to their original position before driving.

## Fit for the daily commute.

Make your way around town, and have fun doing it. The Fit offers a nimble body structure and ingenious EarthDreams® Technology to give you plenty of zip and help you go longer between fill-ups.

### Driver-Friendly

- Multi-angle rearview camera\* with guidelines
- Advanced Compatibility Engineering™ (ACE™) body structure
- Eco Assist™
- Daytime Running Lights (DRL)
- 40-mpg highway rating\*

Fit EX-L shown in Lunar Silver Metallic.

\*33 city/40 highway/36 combined mpg rating for LX CVT model. 31 city/36 highway/33 combined mpg rating for EX-L model. Based on 2019 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions and other factors.

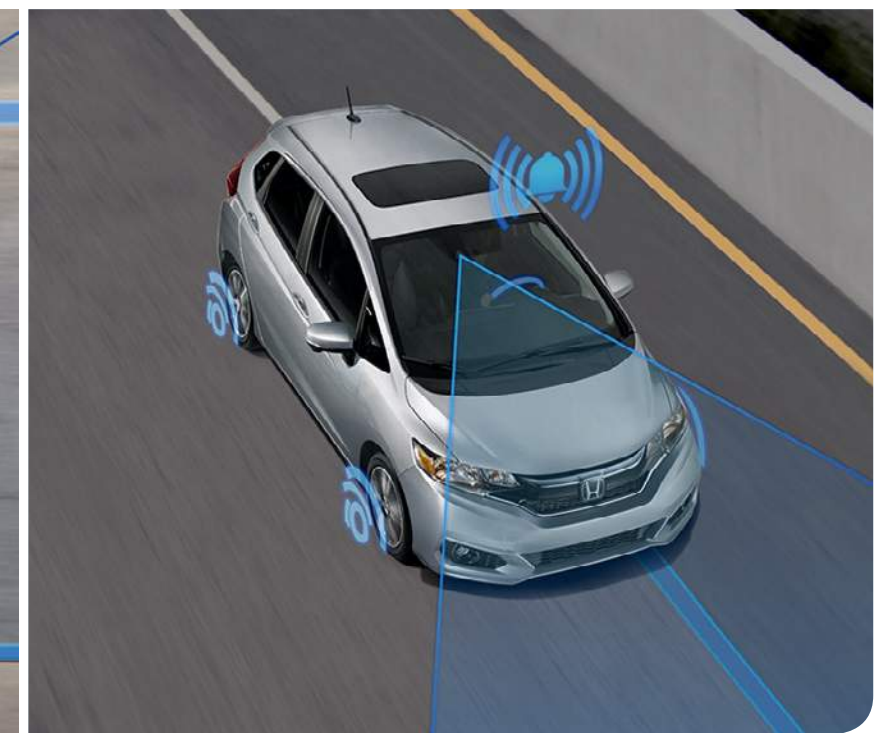

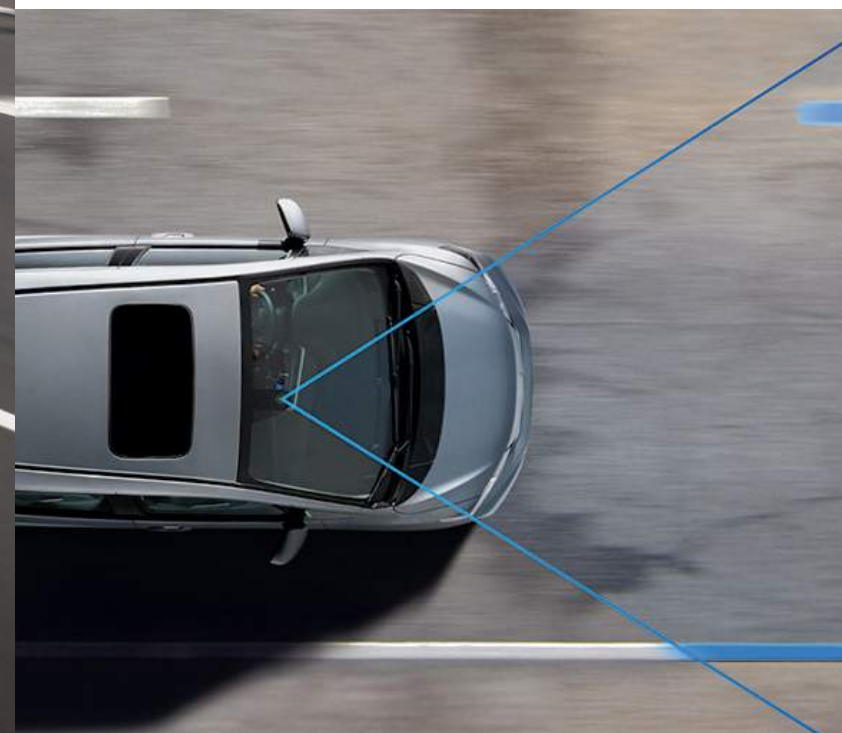

Fit for confidence.

Even the most attentive of drivers can miss things. That's why the Fit offers Honda Sensing,\* an available suite of safety and driver-assistive technologies designed to assist and help protect you and your passengers.

**Collision Mitigation Braking System™ (CMBS™)**<sup>8</sup> (opposite page)  
CMBS can help bring your Fit to a stop by automatically applying brake pressure when the system determines that a frontal collision is unavoidable.

**Adaptive Cruise Control (ACC)**<sup>9</sup> (top image)  
ACC helps you maintain a set following interval behind detected vehicles for highway driving.

**Lane Keeping Assist System (LKAS)**<sup>10</sup> (lower left image)  
With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep the Fit centered in a detected lane.

**Road Departure Mitigation System (RDM)**<sup>11</sup> (lower right image)  
RDM can determine if you cross over detected lanes without signaling, can provide steering assistance to help you return to your lane, or provide braking to help keep you from leaving the roadway entirely.

Fit Sport shown in Aegean Blue Metallic with available Honda Sensing.  
Opposite page: Fit EX-L shown in Lunar Silver Metallic.

Fit Sport shown in Orange Fury.

### Accessorize your Fit.

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care<sup>®</sup> is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

All 2019 Honda vehicles - and any Honda Genuine Accessories installed at the time of vehicle purchase - are covered by a 3-year/36,000-mile limited warranty.<sup>12</sup> Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty,<sup>12</sup> too. For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-year/36,000-mile limited warranty term. Services include jump-starting, flat tire and lockout assistance, towing, and more (limitations apply). Call 1-866-864-5211.

<sup>1</sup> Apple CarPlay is a trademark of Apple Inc. <sup>2</sup> Android and Android Auto are trademarks of Google Inc. <sup>3</sup> The Bluetooth<sup>®</sup> word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license. <sup>4</sup> The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated Smartphone/Audio Interface ports. Some USB devices and files may not work. Please see your Honda dealer for details. <sup>5</sup> The Honda Satellite-Linked Navigation System<sup>™</sup> is available on the EX-L model in the United States, Canada and Puerto Rico. (Honda HD Digital Traffic service only available in the United States, except Alaska.) Please see your Honda dealer for details. <sup>6</sup> Carrying too much cargo or improperly storing it can affect the handling, stability and operation of this vehicle. Follow applicable load limits and loading guidelines. <sup>7</sup> Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. <sup>8</sup> CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>9</sup> ACC cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. ACC only includes a limited braking function; driver remains responsible for slowing or stopping the vehicle to avoid a collision. <sup>10</sup> LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>11</sup> Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>12</sup> 3-Year/36,000-Mile Limited Warranty, 5-Year/60,000-Mile Limited Powertrain Warranty. Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for the terms and conditions of the limited warranties. <sup>13</sup> Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. <sup>14</sup> SiriusXM services require a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at www.siriusxm.com. Fees and programming subject to change.
