## Responds. To your commands.

Voice-activated Ford SYNC® with 911 Assist® delivers hands-free calls, Bluetooth®-streaming music and more with simple voice commands. Once paired, it can download contacts and play music from your smartphone. It can also access your MP3 player, USB or iPod.® Just touch a button on the steering wheel and say things like “Call: Travis at home” or “Play playlist: Favorites.” SYNC AppLink™<sup>2</sup> lets you control Pandora,® iHeartAuto,™ the SiriusXM® App and other select apps by voice, too. SYNC. Say the word.

**Add an 8" color LCD touch screen** and more when you opt for SYNC with MyFord Touch®<sup>1,3</sup> This voice-activated system centralizes control of your phone, entertainment, navigation<sup>3</sup> and climate. <sup>1</sup>Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. <sup>2</sup>SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software. <sup>3</sup>Available feature. <sup>4</sup>Trial subscription also includes access to SiriusXM Internet Radio on your computer, smartphone or tablet. Satellite and Internet Radio lineups vary slightly.

## Surprises. Bright, hot and cool.

A sky view in all 3 rows – courtesy of the multipanel Vista Roof<sup>®1</sup> – and class-exclusive 2nd-row outboard inflatable safety belts<sup>1</sup> are just a couple of the ways Flex is designed to take care of its passengers.

**A new heated steering wheel<sup>1</sup>** treats the driver to comforting warmth on command – no need for bulky gloves when the outside temp drops.

**Heated bucket seats<sup>1</sup>** allow 2nd-row passengers to recline comfortably while charging their devices with the 110-volt power outlet<sup>1</sup> conveniently located on the back side of the center console.

**Chilled beverages or frozen treats** can be stowed in the class-exclusive 2nd-row refrigerated console<sup>1</sup> for easy access while you travel. Surprises? Flex has more than a few.

## Assists. Parking and more.

### See how it all works

Flex driver-assist technologies<sup>1</sup> use ultrasonic sensors and sophisticated radar to help you park, avoid collisions and more.

**Make parallel parking easier** with class-exclusive active park assist!<sup>1</sup> It not only helps you find a spot, it actually steers

the vehicle into place as you control the gear shifter, and brake and accelerator pedals.

**Get a heads-up** from adaptive cruise control and collision warning with brake support!<sup>1</sup> It helps maintain your choice of 4 preset gaps from the vehicle in front of you and can alert you to a potential collision. If one is detected, it flashes a warning on the windshield, sounds an alarm, and preps the braking system to help.

**Stay alert to traffic detected in blind spots** thanks to BLIS<sup>®</sup> (Blind Spot Information System) with cross-traffic alert!<sup>1</sup> It helps warn you using lights embedded in the sideview mirrors.<sup>2</sup>

## Eases. Your mind.

With standards like AdvanceTrac® with RSC® (Roll Stability Control™), which helps you avoid skidding or fishtailing.<sup>1</sup>

**A standard Safety Canopy® System** increases protection with side-curtain airbags that deploy to cover all 3 rows. Every Flex also comes with front-seat side airbags and the dual-stage front airbags included in our Personal Safety System.™

**Intelligent all-wheel drive (AWD)<sup>2</sup>** balances torque between the front and rear wheels to enhance handling and maximize traction.
