## Overview

Avantage Ford was looking to build brand awareness to amplify the brand as a leader in truck sales. The dealership partnered with D3 to develop an integrated digital marketing plan, utilising the D3 Website and the D3 Digital Advertising Solution.

## Objectives

- + Build brand awareness and be recognized as a leading truck provider
- + Optimise search performance and online visibility
- + Drive high-quality leads and increase truck sales

## Solution

- + D3 Partnered with Avantage Ford to help develop and implement an actionable marketing plan to achieve the dealers objectives. Our team of digital specialists optimised site performance to improve search visibility and engage online visitors.
- + We employed a digital advertising strategy, which consisted of display ads and managed paid search. This targeted qualified audiences to increase awareness and drive high-quality leads.

## Integrated Solution Tactics

- + Personalised dealer website to promote goals and optimise the end-user experience
- + Developed a strong content and bid strategy to drive paid search efficiencies
- + Implemented custom website landing pages for F-150, Focus and Escape vehicles
- + Personalised ad copy to promote dealer truck inventory
- + Utilised click-to-call buttons on paid search ads to increase phone leads

## Campaign Results (April - November 2016)<sup>1</sup>

- + Paid search leads grew by 65 %
- + Phone leads increased by 19 %
- + Page visits were up by 56 %
- + 2.4x growth in unique website sessions

## YTD Results (Jan-Oct. 2015 vs. Jan-Oct. 2016)<sup>2</sup>
